

**Malton  
School**  
A Specialist Science School

MALTON SCHOOL CURRICULUM  
KEY STAGE 3  
**SUBJECT: MATHS**

<b>7</b>	Number-structure and Calculation
	Graphs- Co-ordinates in four quadrants
	Ratio, Proportion and Rates of Change
	Geometry- Mensuration and Calculation
	Construction
	Equations and Inequalities
	Algebra -notation, vocabulary and manipulation.
	Number – measures and accuracy
	Probability and Statistics
<b>8</b>	Numbers - Structure and Calculation.
	Number-FDP
	Algebra - Notation, vocabulary and manipulation.
	Algebra - Graphs.
	Geometry - Properties and Construction
	Geometry Mensuration and calculation
	Ratio, proportion and rates of change.
	Algebra - Equations and Inequalities
	Algebra - Sequences
	Statistics
Probability	
<b>9</b>	Number - Structure and Calculation.
	Geometry - Mensuration and Calculation 1
	Algebra-Notation, Vocabulary and Manipulation.
	Geometry - Mensuration and Calculation 2
	Algebra - Solving Equations and Inequalities; Sequences 1
	Geometry - Mensuration and Calculation 3
	Algebra - Solving Equations and Inequalities; Sequences 2
	Geometry - Properties and Construction 1
	Geometry - Mensuration and Calculation 4
	Geometry - Properties and Construction 2
	Geometry - Mensuration and Calculation 5
	Ratio, Proportion and Rates of Change
	Probability
Statistics
