Information for Applicants

January 2022

Dear Applicant,

Thank you for your interest in the post of Invigilator at Malton School. This document aims to give you some information about the school and the application procedure.

Malton School serves a wide rural area of Central Ryedale, as well as the town of Malton itself. We currently have 962 students on roll, including 180 in the Sixth Form; there are 53 teaching staff and 47 support staff. We are fully comprehensive. Our staff student relationships are excellent. Behaviour is extremely good. Most of our students move on to university and many of them to Russell Group universities. We offer a very happy and supportive community in which colleagues can further develop their career. The school is over-subscribed.

We are seeking to appoint an Invigilator to join our excellent and supportive admin team.

The school is a member of the Red Kite Teaching School Alliance, a group of high achieving Yorkshire schools (including Harrogate Grammar School, Prince Henry's Grammar School, Ilkley Grammar School, Rossett School and Roundhay School). We share staff development programmes and opportunities within the alliance, including leadership development and support for newly qualified teachers.

I hope you will be interested in this post and I look forward to reading your application.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R. S. Williams', with a long horizontal flourish extending to the right.
